Catherine,

We have to modify the analytical chemistry agenda. In Pfutag.doc for 1:15 p.m -2:00 pm. It should read

Chemistry of Perchlorate  
Background on Analytical Techniques  
Analysis of Perchlorate by Ion Chromatography (IC)  
Interlaboratory Study on the Performance of IC Methods  
Anion Interference Study  
Stability Study  
David Tsui, U.S. Air Force, Wright Patterson Air Force Base, OH

Please take out Dr. Sanwat Chaudhuri. She is out of the country in India and she is unaware of her giving a presentation. I don't want to surprise her. Thanks and sorry for the confusion.

Thanks,
